

Sky Kids

Sky Kids is a fun-filled week-long day camp where kids who will be the age 4 by January 1, 2018 to kids that have completed the 5th grade will discover that Jesus' love is one of a kind! Each day at Sky is full of amazing activities. Kids learn songs and stories, take part in fun Bible adventures and games as well as making great crafts at the imagination station!

Every child at Sky is part of a small group of five or six kids who stay together for the whole week. Our awesome team of small group leaders shepherd kids throughout the week.
